The school's catering service is provided by Taylor Shaw, caterer of choice for thousands of secondary school students across the UK.

We believe lunch is an integral part of the school day. When students sit down with friends, they cement relationships, enhance social skills, and replenish both their body and mind.

Our menus are exciting, nutritious, and appealing, served in a supportive environment designed to educate students about how they can make healthy choices to support their wellbeing and improve their ability to focus.

Our freshly prepared menus meet the Government's School Food Standards and meet the bronze Food for Life standards.

Eating a School Lunch is Better for Your Child

Did you know only 1% of packed lunches meet the nutritional standards that currently apply to school food? Five reasons school lunches are better;

1. They save time & money
2. They're nutritionally better than a packed lunch
3. They promote a varied diet & encourages new tastes
4. They support inclusivity, dining with friends
5. They help academic attainment by being linked to improved concentration

Your child may be able to get free school meals if you get any of the following:
