The best in everyone™

Part of United Learning

13 September 2024

Dear Parents and Carers

We are pleased to inform you that the Year 11 students have conducted themselves extremely well this week in lessons and during internal exams. This mature attitude to learning bodes very well for success at GCSE for the Class of 2025 next summer.

I am writing to remind you about our Year 11 Information Evening in college at 6pm next Monday, 16 September. We encourage all parents and students to attend this meeting, to gain a clear understanding of the very busy year ahead for all of us connected to Year 11. We know that your support means a lot to your son/daughter even if they don't always acknowledge it. Knowing how Year 11 runs and what lies ahead for your child can help you understand their feelings and enable you to support them more confidently at home.

In addition to support and information from MRC staff, we use the services of a new provider this year. Elevate Education will visit us twice this year, to run workshops with the students. The presenters are lively, highly trained, young people who have only recently completed their own studies. The students will benefit greatly from these sessions. Elevate Education also runs webinars for parents. The first one is at 6pm next Tuesday. Please see their message below with a link to join thousands of parents online from across the UK.

Yours sincerely
