

**Subject: Science**

**Year group: 10**

**Independent Learning termly plan - Spring**

| <b>Week commencing</b> | <b>Topic area</b>                                  | <b>Task description/link</b> | <b>Due date</b> |
|------------------------|--|------------------------------|-----------------|
| 08 Jan 2025            | Biology: Organisation                              | SPARX Science                | 15 Jan 2025     |
| 15 Jan 2025            | Chemistry: Atomic structure and the periodic table | SPARX Science                | 22 Jan 2025     |
| 22 Jan 2025            | Physics: Energy                                    | SPARX Science                | 29 Jan 2025     |
| 29 Jan 2025            | Biology: Infection and response                    | SPARX Science                | 05 Feb 2025     |
| 05 Feb 2025            | Chemistry: Quantitative chemistry                  | SPARX Science                | 12 Feb 2025     |
| 12 Feb 2025            | Physics: Particle model of matter                  | SPARX Science                | 26 Feb 2025     |
| <b>HALF TERM</b>       |  |                              |                 |
| 26 Feb 2025            | Biology: Cell biology                              | SPARX Science                | 05 Mar 2025     |
| 05 Mar 2025            | Chemistry: Chemical changes                        | SPARX Science                | 12 Mar 2025     |
| 12 Mar 2025            | Physics: Particle model of matter                  | SPARX Science                | 19 Mar 2025     |
| 19 Mar 2025            | Biology: Organisation                              | SPARX Science                | 26 Mar 2025     |
| 26 Mar 2025            | Chemistry: Chemical changes                        | SPARX Science                | 02 Apr 2025     |
| 02 Apr 2025            | Physics: Electricity                               | SPARX Science                | 23 Apr 2025     |
