

Mrs Sarah Glaze

Moved to Midhurst in 2017.

My career was put on hold in 2000 when my family relocated to Asia for my husband's job. Pre-Asia, I was a Senior Brand Manager and New Product Development Manager with a large FMCG company.

My anticipated short career break became 17 years + and on my move to Midhurst, as a recent empty nester, I wanted to get involved in the local community. I first became involved with MRC as an exam invigilator and then went on to become the Clerk to the Governors for three and a half years. Learning from my role as Clerk, I have good knowledge and insights into the workings of the school.

Hobbies: Yoga, Pilates and History
