

## Midhurst Rother College Strategic Priorities 2016/17

### **Leadership:**

Create and embed a culture of high expectations and aspirations across the College

Develop Leadership at all levels to ensure continuous improvement

Develop rigorous quality assurance systems resulting in outstanding student progress

Increase numbers in the Key Stage 5

Close the pupil premium attainment and progress gap

### **Teaching, Learning and Assessment:**

Develop teaching and learning to ensure outstanding student progress: 85% of lessons are good or better; 40% are outstanding

Develop a curriculum that enables students to gain exceptional knowledge, skills and understanding

Develop Assessment strategies to make sure predictions are accurate and areas for development are clear

### **Personal Development, Behaviour and Welfare:**

Develop enrichment to provide students with outstanding opportunities outside the classroom

Develop care, guidance and support to make sure students receive outstanding pastoral care
