We also offer all students the chance to take part in a wide range of extra-curricular, enrichment and community based programmes. These include the Open University Young Applicants in Schools and Colleges Scheme, international travel, charity funding initiatives, residential courses; some are in collaboration with the University of Chichester and Winchester College. You will also have the opportunity to make a real difference to our College through the strong voice of Sixth Form Council. *More details can be found on pages 8-11 in our 6th Form Prospectus.*

Please think very carefully about the choices you indicate. For most students, it will be possible to organise the subjects you wish to study within the timetabling blocks. While we aim to offer all the courses indicated, it is dependent on the number of students wishing to take the subject. Some students, therefore, will find that the combination of courses chosen will not be possible and we will contact you as soon as possible, asking you to make a further choice. While we will do all we can to accommodate those who change their minds after completing their application form, our planning is based on the subjects listed. We cannot guarantee that we will be able to accommodate choice reviews after application has been made.

IT IS IMPORTANT THAT YOU PLEASE RETURN THIS FORM TO OUR SIXTH FORM OFFICE AS SOON AS POSSIBLE
