'Carefully and intelligently, the College's leaders are laying the foundations of a well-integrated and ambitious community ... There has been an upward trend in attainment over two years' (Ofsted 2011)

TEACHER OF ENGLISH

Fixed term contract January - 31 August 2012 (Main Scale)

Midhurst Rother College is an 11 to 19 academy located in beautiful surroundings situated inside the new South Downs National Park. In September 2012 the College moves into a new £31 million building. For January 2012 a well qualified individual is required to be able to offer GCSE and KS3 English and English Literature.

We are looking for practitioners with passion and commitment who are able to promote their subject throughout the College. *Applications are equally welcome from NQT and QTS applicants.*

An extensive induction programme and 'laptop for staff' scheme are in place. All those joining the College contribute to its wider life, especially its rich and diverse programme of extra-curricular activities.

Further details together with an application form are available either from the College website (www.mrc-academy.org under 'Jobs') or from Mrs S Banbury (Principal's PA).
