Photos and messages
of your time at MRC
approx £15

Year Photo

A year group photo is taken,
with the opportunity
of friendship photos.
Prints starting from £18

The event most looked forward to is always the Year 11 Prom. The students do us all proud with their preparation and presentation at the evening after such hard work during their final examinations. Enjoyed by both staff and students it is an event which the students deserve to attend. As such there are clear, non negotiable boundaries by which a student may not be able to attend.

Students will not be attending if:

- They are internally or externally excluded
- Caught smoking
- Swear at a member of college staff
- Are caught off-site during the college day
- College attendance falls below 93%
- Fail to attend any final examinations

Parents will be informed at the earliest opportunity if their child is not allowed to attend the prom.

Students will have the Prom launched to them in September when these boundaries will be applicable.
