Dear fellow parents and carers

Midhurst Rother College Association (MRCA)

The next MRC Association meeting will be at 6.30 pm on **23 February 2012** hosted in Memorial Hall. I wanted to write in advance of that meeting to ask for your help.

The support of parents and carers is critical to the journey of the College. I am sure we are all doing everything we can for our children individually, but it would be good to do more on a collective basis. This is where the MRC Association comes in.

There is a need for the MRCA to get more involved in the life and future direction of the College. The College is keen to consult parents collectively on the major issues affecting the College. These have included uniform and behaviour issues, issues connected with the new building and will include the timing of the college day.

It is important to recognise this is a parent and carer group and it is down to us to organise and run it. In order for the MRCA to play a full role, I would be keen for you to help in the following ways:

- Identify the issues which the MRCA should consult with the College and let me know.
- Let all your friends who have children at MRC know about the next MRCA meeting on 23 February and attend if you are able.
- Consider whether you, or any other parent or carer you know, would be willing to volunteer to help lead the group.

Please feel free to contact me, via the College, with regard to these issues and I look forward to seeing you at the next MRCA meeting on **23 February 2012**.

Yours sincerely
