

# Midhurst Rother College

The best in everyone™

Part of United Learning

9 February 2024

Dear Parent/Carer

## **Winchester College Life Sciences Conference**

We would like to invite your child to attend the Life Sciences Conference at Winchester College on Tuesday 20 February 2024.

The event features a variety of activities including guest lectures, collaborative experimental biology activities, and a poster forum where students have the option to present their EPQ projects or other related work.

Lunch will be provided on the day, so please inform us if any special dietary requirements will be needed. Can I ask that students do bring their own water bottle.

There is no cost to the trip as we are very lucky to have a working partnership with Winchester College who will provide transport site and expertise for free.

We will be leaving Midhurst Rother College at 9.45am and returning at approx. 4.45pm. Photographs may be taken during the event. If you do NOT consent to your child being photographed, please let us know.

Permission may be made on Arbor. On the Parent Portal, please go to "Quick Links" and then to Trips. You can then give consent. Medical details and contact details will be taken from Arbor, so please update these using the ParentPortal.

For assistance with Arbor, please contact [finance@mrc-academy.org](mailto:finance@mrc-academy.org)

Yours sincerely

Ben Elliot  
Science Teacher
