Dear Parent/Carer

Firstly, I wanted to let you know how well the students worked so far this year on their extra GCSE Dance qualification. I am very confident that they will finish this extra course successfully.

Year 11 students have limited enrichment time to use for the GCSE Dance course so we will have to use some Friday afternoons from now on for additional practice for component 1 (60% of final grade).

Therefore, Friday sessions will happen as follows:

- **Every Friday week B – one hour after school (finish at 2:45), starting on 12 May**
- **Additional sessions in Week B before practical exams if necessary**

We can provide transport home by minibus for students after these lessons if necessary. Please indicate on the attached reply slip that you give your daughter consent to attend these sessions and whether she requires a lift home by minibus afterwards.

Yours sincerely
