6 June 2019

Dear Parent/Carer

Applying to University – Parents' Information Evening

We are once again celebrating our high number of university applications with over 70% of our Year 13 students making an application. Over 50% of those students have received an offer from a top UK university. We are extremely proud of the care and attention to detail that goes into preparing our students for their applications.

Each year we invite our Year 12 parents to a presentation that explains the process in order that you can support them knowledgeably through this process.

The information evening will be held on Wednesday 19th June starting at 6:30pm in the Library. Topics covered will include: the application process, open days, the personal statement, work experience and student finance. There will also be some information on Degree Apprenticeships and an opportunity to ask questions.

I do hope you can join us.

Yours sincerely

Mrs Sarah Nathaniel
Deputy Director of Key Stage 5
