

# Midhurst Rother College

The best in everyone™

Part of United Learning

13 March 2024

Dear Parent/Carer

We are delighted to be able to offer a fantastic opportunity for our KS5 students to attend a geography study day at Royal Holloway, University of London on **Wednesday 20 March 2024**. The day will not only give them a taste of University life, a tour of the campus and the opportunity to talk with University students but in addition, they will have two lectures delivered by University staff on both physical and human geography aspects of their A level course. They will also have the opportunity to attend a workshop on writing methods or statistical skills.

We will travel by school minibus, leaving Midhurst Rother College at approximately **8:00am** and arrive back to College by **4:00pm**.

Students should wear clothes appropriate for a day at University and as they will be walking around the campus, weather appropriate clothes and footwear should be worn. They must bring a notebook and pen. Students can either bring a packed lunch or money to buy lunch in the cafe.

The cost of the trip is £5.00. Please give consent and pay for the visit on Arbor by **Monday 18 March** at the latest.

Payments may be made on Arbor. On the Parent Portal, please go to "Quick Links" and then to Trips. You can then give consent and make payment. Medical details and contact details will be taken from Arbor, so please update these using the ParentPortal.

If you would like to discuss the visit, please contact [john.robinson@mrc-academy.org](mailto:john.robinson@mrc-academy.org)

Yours Sincerely

Mr John Robinson  
Head of Geography

**Principal: Stuart Edwards**
