14 September 2020

Dear Prospective Parent / Carer

Our open evening will be a virtual event due to the Coronavirus pandemic. We are working hard to make sure that prospective parents / carers have an opportunity to get a real flavour of our College despite this.

Our virtual event will include a brief presentation from the Principal, Mr Edwards. There will also be links on the website for a virtual tour of the College and visits to some lessons. You will also be able to hear from some of our current students and other key staff and have opportunities to pose live questions. The event will last no longer than 45 minutes in total.

We are a friendly and happy school. I look forward to welcoming you (virtually) to us and to talk about how we will care for and educate your child, through adhering to our values of respect, happiness and achievement .

The event will take place on Thursday 24 September and will start at 6.30pm. It will be run through Microsoft Teams. Please follow this link – you will then able to view the presentation: <https://tinyurl.com/MRCopenevening> Further instructions will be provided on our website to help you access this presentation via the internet

Our staff and students look forward to welcoming you the College

Yours sincerely

Stuart Edwards  
Principal
