Hello all

Please find below recent communication with parents/carers including a short introduction to MRC video.

Dear Parents/Carers and Year 6 students,

As outlined in Mr Edwards letter last week our communication to you will include some short video introductions and transition messages whilst we do our best from home to continue to induct you to MRC.

Please find the first of these; a warm welcome from our Head Boy and Girl with a virtual tour of some areas of our school site. More will follow from different people over the coming weeks.

Transition 2020-21 At Midhurst Rother College we are aware that the transition from primary into Year 7 at secondary school can be challenging for both parents and students. Through close liaison with students, parents and primary schools, we aim to make the transition as straightforward and comfortable as possible.

We look forward to seeing you soon.

Kind regards
