Dear Parent / Carer

**Assessment, Recording and Reporting Review – Parent Survey**

I hope this letter finds you and your family well, and you are looking forward to the Half-Term break. I am writing to explain that we are currently reviewing our Assessment, Recording and Reporting processes at Midhurst Rother College. This is to ensure that we have a consistent, meaningful system in place that helps the students flourish during their education with us.

Part of this review is to gather opinions of students and parents on the system we currently have. This includes the assessments your children sit, the terminology we use to report home, and what is on the reports themselves. Your views on how we can ensure a clear system and how we can support you with your child's education will be instrumental to any changes that take effect. Therefore, I would be extremely grateful in your participation in the survey below.

Please follow the link below to this short survey – it should take you no more than 3 minutes to complete:

Deadline for completing this survey is **Friday 18 February**.

I will write to you again in the Summer Term to update you on any changes that will be taking effect.

Thank you in advance for your contribution.

Yours sincerely

Mrs Leanne Wallis  
Director of Standards
