

Midhurst Rother College

The best in everyone™

Part of United Learning

14 March 2022

Dear Students

We would first like to introduce ourselves as the new head students of MRC, Jacob and Lily. We are both excited and grateful to be given this responsibility and are eager for the upcoming opportunities in the year ahead.

As many of you will know, **Comic Relief** is taking place on the **18 March** this year and so we would love to encourage all students to get involved. **This Friday will be a non-uniform day** in exchange for donations that will go to support Comic Relief, this will include supporting the Ukrainian humanitarian crisis this year. Any and all donations will be accepted, and all proceeds will go to the charity. We want the day to be engaging and most importantly fun for all! We hope to see as many students as possible participate in as many activities as possible.

We are also looking to run events throughout the day, for example, a charity dodgeball game in the sports hall. This will take place during lunch, where students will be able to play against staff. There will be an entrance fee of **50p**. This has always been a fun activity and the money raised will of course go to Comic Relief. Students will be reminded of this during PowerPoints in form.

We both wish to thank you all in advance for all the contributions that will be made this Friday; we're excited to get started and help those who are in need, especially in these times. Whatever you do, no matter how small, you can make a difference. We'd also like to express our gratitude for your continued support in past charity days and events and many more to come. It means a lot to everyone including us, staff and especially those in the essential organisations we at MRC support.

Yours sincerely

Jacob and Lily
