Dear Parent/Carer

## Uniform Standards September 2020

At Midhurst Rother College we highly value the contribution our students make towards our ethos and culture. The high standards in which your child is dressed for College and how they present themselves in their uniform, is representative of this and, overall, the majority of MRC's students wear their uniform with pride.

Staff and leaders around the College will challenge and correct aspects of uniform throughout the day (as necessary). This includes incorrectly worn uniform and incorrect items of uniform. Please be aware of the following to ensure clarity and understanding of our expectations:

- Trainers, including black trainers, are not acceptable shoes for College, we expect students to be wearing formal footwear;
- Hoodies are not acceptable in College;
- Students who wish to wear a jumper with their uniform should wear a black V-neck 100% cotton plain jumper. These are in stock and available from our suppliers, Stevensons, either online or in the Guildford store;
- Hair, jewellery and makeup expectations are clearly outlined in the uniform policy. Students should expect to be challenged on this and alterations made for any breaches outside of these conditions.

Our uniform policy has not changed recently, and our expectations remain clear upon our return to College in September. It is the responsibility of each parent/carers to ensure you send your child to College in adherence to this policy. It is then each student's responsibility to ensure these expectations are maintained throughout the day. Standards are vital for clarity, professional working and for operating in an education setting; we therefore expect all students to ensure they meet our standards consistently. In the eventuality that these standards are not met, parents will be notified and expected to correct it.

Yours sincerely

Mrs Claire Dickens  
Assistant Principal
