20 September 2022

Dear Parent / Carer

I write to inform you of two serious and concerning incidents that have taken place outside of school, both of which are very similar in nature and involve younger students.

I was made aware today that an unidentified person wearing dark clothing and a balaclava jumped out at two different small groups of female students in the evening of Friday 16 September and Monday 19 September. The girls found this very frightening and distressing. I am notifying you as we are concerned about our students' wellbeing and you will want to increase your vigilance of your child outside of school.

We have reported the incidents to the police. If parents / carers have any concerns, please let us know and call 101 or 999 in the case of an emergency. Our staff are on duty at the bus stops and in North Street in hi-vis jackets from 8am in the morning until school starts and again from the end of school until 4pm to supervise students as they leave the site.

We will talk with students about this in school and would ask that you raise it at home with them too.

Yours sincerely

Stuart Edwards
Principal
