Dear Parent/Carer

English Literature GCSE revision guides and texts

As an aid for your child's study and revision of the Literature texts that are studied for English Literature GCSE, we are encouraging students to arrange the purchase of their own copies of the Literature texts. We are selling these in College. The advantage of owning their own copies of the texts means that they can annotate and use Post-It notes to mark pages and scenes for their own use, in the same way that they annotate their poetry anthologies. This is also excellent preparation for A-level study as it helps them with the study skills that are needed after GCSE as well as during their GCSEs. Owning their own copies of the texts means that the students can also revise from the texts at home as they are unable to take school texts home.

The texts will be on sale throughout the school year and can be purchased separately as the year advances. There is also no necessity for the students to own their own books as the texts are, and will always be, available in lessons. Students can also arrange to buy their own copies, the only disadvantage being, different copies will mean different page numbers.

We also have the opportunity to offer a variety of GCSE English Literature revision guides at a reduced price (RRP £5.95). These books are easy to read and cover the key texts that your child will need to revise. Again, these are available for purchase throughout the school year.

It must be stressed however, that these books are not to replace individual revision that your child will need to do, but rather act as an additional supplementary resource.

If you would like to order a copy of any of the Literature texts or the accompanying revision guides, the attached slip needs to be returned to Mrs Parsons, in room K203. **(This is important.)**

Please pay for the revision guides via the online payment system using the following link: <https://www.scopay.com/midhurst-redirect=true>. If you require support with the online process, please contact Hannah Clayton in our finance department at: Hannah.Clayton@mrc-academy.org

Please be aware that your child can ask their English teacher's advice on the texts and revision guides.

Yours sincerely

Natasha Parsons
