Dear Parent/Carer

Get Ahead, Stay Ahead

As we approach the summer holiday, I wanted to take this opportunity to wish you and your family a restful break and also inform you about our 'Get Ahead, Stay Ahead' tasks.

Core subject areas have set a number of tasks for your child to complete that aim to activate and consolidate learning in preparation for September. On completion of these tasks, students will be awarded a Golden Ticket as per the subject information, which can be found on the subsequent pages of this letter.

In September, all Golden Tickets will be placed into year group draws and students will have the opportunity to win either £10 Amazon vouchers in Year assemblies or £20 Amazon vouchers in Whole College assembly. Students will be able to collect multiple Golden Tickets and make multiple entries into the competition, therefore increasing their chances of winning.

Families and students may wish to take the little and often approach to this work, as they recharge their batteries and spend time away from Midhurst Rother College. However, others may choose to take an approach that fits with their family plans.

Once again, I would like to wish you a restful break and look forward to working with your son/daughter in September.

Yours sincerely

Ms Lucy Owoh

Clear sunny days add contrast whereas partial cloud will help with atmosphere Equipment – are you using a 'proper camera' or your phone? Will you need a tripod? Settings - are there particular settings you're looking to use? Slower exposure? Shallower depth of field? This needs to take up two pages in your book.	1
