

Midhurst Rother College

The best in everyone™

Part of United Learning

21 October 2022

Dear Parent/Carer

Get Ahead, Stay Ahead

As we approach half term, I wanted to take this opportunity to wish you and your family a restful break and also to tell you that we are planning another round of our exciting 'Get Ahead, Stay Ahead' competition.

Once again, there are an array of different subject tasks for your child to complete that aim to activate and consolidate learning in the run up to Christmas and beyond. On completion of these tasks, students will be awarded a Golden Ticket as per the subject information which can be found on the subsequent pages of this letter (students obviously only need to complete the tasks that are set for the subjects that they are studying).

In November, all Golden Tickets will be placed into year group draws and students will have the opportunity to win either £10 Amazon vouchers in Year assemblies or £20 Amazon vouchers in Whole College assembly. Students will be able to collect multiple Golden Tickets and make multiple entries into the competition, therefore increasing their chances of winning.

Families and students may wish to take the little and often approach to this competition, as they recharge their batteries and spend time away from Midhurst Rother College. However, others may choose to take an approach that fits with their family plans.

Once again, I would like to wish you a restful break and look forward to working with your son/daughter in the run up to Christmas.

Yours sincerely

Ms Lucy Owoh
Vice Principal

Principal: Stuart Edwards
