

Midhurst Rother College

The best in everyone™

Part of United Learning

9 January 2023

Dear Parent / Carer

Success Evening on Thursday 19 January from 6 – 7.30pm.

It was lovely to see so many Year 11 students pleased with their grades at the end of last term. I hope everyone has enjoyed some celebrations and relaxation over the Christmas break. Now we begin intensive preparations with Year 11 students, so I am writing to remind you of the **Success Evening on Thursday 19 January from 6 – 7.30pm.**

This event is always popular with parents and students. GCSEs have changed a lot since we/parents were at school. You will gain a clear understanding of what the current GCSEs demand of pupils and how they must prepare for the exam questions. After a short overview from me, you will be divided into smaller groups, to attend a carousel of hands-on sessions in the classroom and gain the full student experience! Our Directors of English, maths and science will lead hands-on mini lessons where you will see what your child needs to master for success at GCSE, so you know how to best support them. Mrs Rachel Ward (Director of our Additional Educational Needs dept.) will also be present to answer any specific questions you have on the evening.

From 5pm, before the 6pm start in the College theatre, senior staff will be meeting with selected students and their parents for a single appointment regarding progress across all subjects. You will be contacted separately if your child is included in this part of the Success Evening.

As you know Year 11 students have a very demanding few months ahead of them. With practice exams, homework and regular revision to do. Their recent grades from the November exams show much promise and we want to work with you to support both students' wellbeing and progress towards GCSE results they can be proud of. I do hope you will join us with your Year 11 child for the Success Evening.

Yours sincerely

Fiona Lunskey
