12 September 2019

Dear Parent/Carer

**Information Evening and GCSE Success Fair**

It has been a pleasure to welcome Year 11 back this Academic Year. I have visited all Year 11 Maths and English lessons and the students are engaged and working well. Students sit their first internal examination in Maths next week and it is fantastic to see them preparing for this in class. The standard of behaviour, conduct and uniform is also extremely good, and I am grateful for your support in this area.

I would like to take the opportunity to inform you of upcoming events this term for Year 11. This year we have a combined Parent's Information Evening and GCSE Success Fair. This will take place on **Thursday 3 October 2019**. The session will be in the theatre, starting at 6.30pm and running for approximately an hour. Refreshments will be available from 6.00pm.

The evening is designed for both parents and students; to support your child in preparation for their upcoming GCSEs. Alongside a main presentation there will be a chance to talk with representatives from English, Maths and Science regarding effective strategies to enhance academic learning habits and increase memory skills. There will also be representatives from a selection of other subject areas to provide helpful tips and guidance in the lead up to the November Internal Exam series.

This is the first opportunity available to parents and students to discuss exam preparation before the November Internal Exam series and a chance to pick up some information on how to also support your child with regards to well-being and coping strategies, in this challenging year.

We are anticipating this being a busy night for the College, and in order for us to best prepare for the evening, could you please return the reply slip attached, indicating your attendance and number in attendance to Student Reception by **Wednesday 25 September 2019**.

Yours sincerely

Mrs Leanne Wallis  
Director of Standards – Year 11

**Principal: Stuart Edwards**
