14 January 2022

Dear Parent / Carer

**Year 11 Strategies for Success Evening Tuesday 25 January**

I write to invite you and your son/daughter to an event in College from 6.00-7.15pm on 25 January. We have been very pleased with the efforts and conduct of the year group in their recent exams. Now we want to build on their hard work and progress in our lessons at school and help you support your son/daughter at home, as they approach the GCSE exams starting next term.

This “**strategies for success**” evening aims to show you **how** students can best organise their time, improve on their weaker topics or subjects and use methods for revision which we know are effective. After an introductory presentation, Directors of core subjects will run hands-on sessions which students and parents attend together. Sessions will focus on how parents can help, success criteria in each of the core subjects, how to use study-time well, how to approach exam questions confidently, best ways to gather and memorise relevant content in different subject areas.

To help us plan and prepare resources for this event, please fill in and return the reply slip attached. After holding a number of school events online, we do look forward to seeing many parents and students in person at this event. Whilst Year 11 is an important and challenging year for everyone we hope to make these practical sessions engaging and useful, even fun! We can also discuss your queries or worries about revision for the GCSE exams. In the meantime, please do get in contact with me (fiona.lunskey@mrc-academy.org), or subject teachers at Midhurst Rother College, if you have questions or concerns.

Yours sincerely

Fiona Lunskey  
Assistant Principal
