Dear Parent/Carer

## Sixth Form Transition Days 2022: 27 - 29 June

We are delighted to offer your son or daughter a conditional place at MRC Sixth Form. This year, we are returning to the pre-COVID system of inviting our eligible Year 11 students into College, following their final GCSE exams, to experience Sixth Form life. Over the course of two days, **27 and 28 June**, students will have the opportunity to sit lessons in their chosen options.

Students will find out about the requirements for their subjects, get some experience of Level 3 (A Level and BTEC) study, and gain an insight into the topics they will be studying in Sixth Form. Transition work will also be set for completion over the summer in preparation for Level 3 study. These days will also give them a chance to meet their teachers for next year.

We would like to see all eligible, current Year 11 students on **27 and 28 June** – they will be expected to arrive at College at the normal time, 8.30am, and go to the Sixth Form Common Room. Students will be permitted to wear their own clothes, in preparation for Sixth Form, which should be suitable for a study environment. In the Common Room, students will be advised where to go and what to expect on their first day. Students will have full access to the Sixth Form facilities and will also be permitted to leave the site if they wish.

At the end of the external exam period, your son or daughter will receive a 'conditional offer' letter. This will summarise which subjects they have chosen for Sixth Form and the grade entry requirements they need to meet. We have chosen to email this to students after exams have finished to avoid additional pressures during an already stressful period. This is a reminder that entry to Sixth Form is conditional upon receiving 5 GCSE grades at Level 4 or above, including at least one of English Language or Mathematics. Further entry requirements must be met for specific subjects.

If your son or daughter will be attending the Sixth Form Transition Days, please fill out the form via the link <https://forms.office.com/r/pDkFW6tFAx>. If they are planning on coming to MRC Sixth Form, but are unable to attend the transition days, there is an option to fill out on the form. If your son or daughter is attending another institution, there is an option on the form to be filled out. Please contact us directly using [sixthform@mrc-academy.org](mailto:sixthform@mrc-academy.org) should you have any queries regarding the transition days or Sixth Form in general.

If your son or daughter is planning on attending a different institution for Level 3 study, we wish them all the best for the future, and they should expect transition or induction materials shortly to prepare them for their future journey.

Yours sincerely
