Dear Parents / Carers

Normandy trip 2022

Due to unforeseen circumstances our school travel company has had to change the date of our study trip to Normandy. The accommodation centre we booked is no longer available on the dates we had reserved. La Grand' Ferme is a lovely and peaceful accommodation centre, in a rural area, where students can experience what it is like to live in France. There are also indoor and outdoor spaces, where students can relax in the evening after a busy day exploring the treasures of Normandy, so we feel it is better to change dates than the accommodation centre.

Consequently, the trip will now take place from Sunday 5 June to Friday 10 June. In some ways, this is a better date for us: the weather should be more clement, and students who have had covid will have more time to sort out their vaccinations. Hopefully no one will have to complete lateral flow tests whilst we are there in June.

However, we are aware that some parents / carers might have made plans for the May half-term. This trip now departs on the last day of the half-term break, so please get in touch as soon as possible if you have any issues with these new trip dates (cecile.charpentier@mrc-academy.org). We apologise for the short notice and change of plan, due to factors beyond our control. We do look forward to meeting parents and students to give you all detailed information about our travel arrangements and itinerary for this exciting week away. This meeting will be held on Thursday 5 May at 6pm in the College theatre.

Best wishes

Cecile Charpentier
Head Of Department - MFL
