

Midhurst Rother College

The best in everyone™

Part of United Learning

21 July 2021

Dear Parent/Carer

Get ahead, stay ahead

As we approach the summer holiday, I wanted to take this opportunity to wish you and your family a restful break and also inform you about our 'Get ahead, stay ahead' tasks.

Core subject areas have set a number of tasks for your child to complete that aim to activate and consolidate learning in preparation for September. On completion of these tasks, students will be awarded a Golden Ticket as per the subject information, which can be found on the subsequent pages of this letter.

In September, all Golden Tickets will be placed into year group draws and students will have the opportunity to win either £10 Amazon vouchers in Year assemblies or £20 Amazon vouchers in Whole College assembly. Students will be able to collect multiple Golden Tickets and make multiple entries into the competition, therefore increasing their chances of winning.

Families and students may wish to take the little and often approach to this work, as they recharge their batteries and spend time away from Midhurst Rother College. However, others may choose to take an approach that fits with their family plans.

Once again, I would like to wish you a restful break and look forward to working with your son/daughter in September.

Yours sincerely

Ms Lucy Owoh
Vice Principal

Principal: Stuart Edwards

'Get ahead, stay ahead' tasks

ENGLISH

Task(s)		Golden Tickets available
1	<p>Find, read and collect a variety of news and magazine articles that are opinion based. Articles in which a writer is expressing their point of view. If possible, try to find articles where writers have differing views on the same topic and then, when you have a collection of articles, answer the following questions:</p> <ul style="list-style-type: none">• Write a summary of the points of view expressed in the articles.• Explain how language and language devices are used by the writer to get their point of view across. <p>Hand in your articles and analysis to your English teacher.</p>	2

MATHS

Task(s)		Golden Tickets available
1	<p>Students need to log on to https://hegartymaths.com/ and complete the tasks that have been set on TEAMS. Students should use the video clips to help them master each component.</p>	2

SCIENCE

Task(s)		Golden Tickets available
1	 <p>Complete the Year 8-9 Booklet, available here via the QR code. The booklet has weekly tasks to complete, including learning key vocabulary, describing processes via a diagram and some simple 'kitchen practicals'.</p>	2
