Dear Parents / Carers

Just a brief message to let you know that the Languages Department will be running a residential trip to the beautiful region of Normandy next September. We have booked this accommodation centre near the bay of Mont St Michel following another enjoyable trip there last summer term.

The itinerary aims to show students a lovely part of France and build their confidence to speak French. Many of the visits and activities are conducted through French, run by the lively young “animateurs” there, supported by Midhurst Rother College staff. The trip is aimed at fifty students now in Years 8 and 9 who study French currently and intend to opt for the GCSE course, continuing through Years 10 and 11.

The price of the trip will be around £500 to include transport, accommodation, all meals, outings and activities. At Midhurst Rother College we are supported by the Gilbert Hannam Foundation who do offer grants (for over half the cost) to students each year where financial circumstances are difficult for families.

Please look out for the email inviting you to apply for a place and speak to an MFL teacher if you would like to find out more about this residential study trip.

Yours sincerely

Miss C. Charpentier
Head of MFL
