Dear Parent/Carer

**GCSE options support for Year 9**

I am so proud of how well the Year 9s have been doing so far this year, particularly after a challenging summer term post lockdown.

This year they will be making important subject choices that will help them towards their future career aspirations and I wanted to write to you to let you know what support we have offered our Year 9 students so far with regards to these GCSE options.

- The students have been having discussions during tutor time to give them advice and guidance.
- They have been given the opportunity to start thinking about careers and aspirations through the U explore website
- They will be having assemblies around careers and aspirations.

This link:- [Start \(startprofile.com\)](https://startprofile.com) is suitable for you to go straight to the guidance on choosing GCSEs. Students also have access to this using their MRC email address as the username.

Please look out for a letter in the first week of term with more key dates and information for you. If you have any questions, please do get in touch.

Yours sincerely

Mrs Vivienne Silverthorne  
Pastoral Leader – Year 9
