Dear CLiL Parent / Carer

CLiL 2022 Summer Challenges

We are delighted to include your Year 6 child in the CLiL mailing list for our summer term challenges at Midhurst Rother College. We are inviting him / her to take part in some remote CLiL challenges over the summer break. Learning through French requires an adventurous spirit, resilience, and perseverance. Thus, these are qualities required for students to rise to these challenges below. Completing and sharing their challenge tasks in September will allow pupils to discover some French vocabulary, explore their creativity and get active. Pupils may bring work with them or send via email for our start of term in September. If you agree, we would like to post photos of some of the work on our website or Twitter feed, (with just first names) to promote CLiL and languages learning at Midhurst Rother College. Pupils may choose from these activities

- Think back to playing “Simon says” this week! Sketch a self-portrait and label your facial features all in French e.g. les yeux (the eyes), using a bilingual dictionary for spellings.
- Sign up to a free app like Duolingo and do a little bit of French online every day. You can also play games on linguascope (log in = mrcmfl then mfl2022).
- Find a French word for each letter of the alphabet and create a montage of photos or pictures from A-Z. You can photograph objects around the house or out on a walk for your alphabet e.g. A comme arbre (tree) B comme banane
- Follow a recipe for croque monsieur on BBC Good Food site (or similar) and send us in a photo of your dish
- Film yourself doing “keepy uppys” with a football or tennis racket and tennis ball whilst you count in French... until you drop the ball! Un, deux, trois
- Research a French speaking scientist, musician, artist, saint, monarch, sportsman / woman, writer etc of your choice. Write about the person’s life and achievements in your own words in English.
- Sculpt a scene in fruit and other small household objects, labelling the picture e.g., a beach scene might include a satsuma (le soleil /sun= une petite orange in daytime or a crescent moon formed by a banana for a night-time scene! Maybe a person’s portrait would have raisin eyes and pasta penne joined up to make limbs). Bring / send us a photo via email.
- Explore France from your desk on Google Images or similar, to find the most beautiful views, natural or man-made. Create a montage of beautiful places, saying where they are situated and what they are called.
- If you visit a French speaking country this summer, bring us back some pictures or postcards, find where you travel to on a map or write a short essay about the region you visit in English. Holiday photos or postcards from UK or abroad will be welcome for tutor time of course.

CLiL is about learning through doing, so we hope the prospective CLiL pupils, will do some of these activities, though they are in no way compulsory. There will be prizes for impressive work! Please contact me by email if you have any questions about the CLiL Summer Challenges. In the meantime, I hope that you all have a great summer. We look forward to welcoming your child to the College soon.

Yours sincerely

A handwritten signature in black ink, appearing to read 'FJ Lunskey'. The letters are cursive and fluid, with the 'F' and 'J' being particularly prominent.
