

**Independent Learning Plan – Term of Product Design Rotation**

Task	Task description/link
<b>Task 1</b>  Create an A4 moodboard of images to help you design your mechanical toy.	Moodboard  Please create an A4 moodboard based on your design theme ideas for your mechanical toy.  Include at least 4 different ideas that will help you draw them.  Your designs could be based around: Hobbies, sports, interesting animals, tv and film
<b>Task 2</b>  Online quiz	An online Quiz will be set by your teacher to complete.  The quiz will be automatically marked and students will be awarded achievement points for both good or excellent scores.  The quiz will cover theory knowledge learnt whilst in DT lessons
<b>Task 3</b>  <b>Only applicable to students taking PD for summer term.</b>	Research task on GCSE style coursework project
<b>Task 4</b>  <b>Only applicable to students taking PD for summer term.</b>	Online Seneca task

Homework 1 & 2 are set in students first year 9 rotation of DT. This rotation is shortened so only two homeworks are set.

If students opt for Product design in the summer term then they will be set an additional two homeworks.
