PRINCIPAL'S MESSAGE

We had a very positive Open Evening this week for our Sixth Form and had our highest number of external applicants to the school, with over 20 students from other local schools expressing an interest in joining our Sixth Form next year. Our Open Morning for Year 7 was also very well attended this week – we had the added bonus of students in Year 10 also touring the school that day as they plan to move students to us. It is always pleasing that families want their children to come to our school. The Year 7s who helped on our Open Morning were fantastic ambassadors for our school and I am very grateful to them.

We talk with students in every assembly about the importance of being in school every day. Each piece of knowledge they have is a jigsaw piece – they need to be a full jigsaw to be able to see the big picture. When they miss a day, they miss a piece of the jigsaw and a piece of their learning. We really need them to be in school every day, as much as possible, to make sure they are in the best position to be successful. Our results from 2024 show us that students who had regular and high attendance did really well; those with sporadic and low attendance did not. Any support you can give with this is much appreciated.

We had 'Hello Yellow' Day in school yesterday for students to show their support for mental health in young people. Dozens (well over 100 – impossible to count!) came in wearing yellow to show their support for this important charity and to raise awareness. Next week is 'Show Racism the Red Card' on Friday 18 October and we are asking students to wear something red on that day.

Best wishes.

Stuart Edwards
Principal

KS3 & KS4 ASSESSMENT DIARY

Week beginning : 14 October 2024

At MRC students in years 7-10 sit three assessments per year, with Year 11 sitting more, especially in core subjects, to help preparations for GCSE exams in the summer.

For KS3 students these assessments support students to reflect on their progress, provide opportunities to practice and prepare for KS4 GCSE assessments in a 'low stakes' situation, provide teachers with an objective and comprehensive piece of work to judge students' progress and an opportunity to report to parents/carers an accurate measure of their child's academic progress. These assessments cannot be 'failed' and simply give us all an indication of progress and attainment in different subjects – for many an encouragement, for a few some motivation to commit to hard work and progress.

Assessments are coming up for the following year groups

- Year 11: Mock Exams (Internals) for all subjects in the three weeks beginning 11 November 2024. Art, Textiles, Photography and MFL oral assessments in the week beginning 4 November 2024
- Year 10: in class assessments for all subjects in the fortnight beginning 4 November 2024
- Year 9: in class assessments for all subjects in the fortnight beginning 4 November 2024

Over the next week or two, class teachers will be sharing details of forthcoming assessments with your child, including the length of assessment, type of questions, topics that will be in the assessment and some revision activities that will be useful to help your child prepare. This will be available on Arbor as an assignment.

Additional information and revision guidance can be found on the college website (<https://www.mrc-academy.org/curriculum/revision-resources>) at any time; this page provides useful ideas and strategies to support independent and effective revision by any child at any time.

Experience shows us that students who are well rested, have had a good breakfast and are properly prepared with the right equipment experience less stress and anxiety before assessments, and perform better. We thank you for supporting your child in their preparation.

We are also mindful that these assessments can create a degree of stress and anxiety – please do contact your Head of Year for support and advice should this be the case.

ATTENDANCE MATTERS

Absence

Please ensure that you communicate with us each day for any/all absences. Leave a message for the Attendance Team on 01730 812451 (select option 1) or make contact via email: **attendance@mrc-academy.org**.

If your child needs to attend an appointment, please send us a copy of any supporting information such as a medical letter or appointment card. Our website ([Attendance Matters \(mrc-academy.org\)](https://www.mrc-academy.org)) contains further information, including links to our policies and a link to our [student absence request form](#). You may also find this link useful from the NHS, [Is my child too ill for school?](#) We work closely with the legislation as laid out in the DfE's [Working together to improve school attendance](#) (applies from 19 August 2024) publication to ensure that we fulfil the government's mandate on attendance and support you and your child.

EXAMS

Supporting your Child through Revision and Exam Periods

October is an important month for Year 11 students. Now is the time to embed sustainable homework habits into daily routines and practise effective methods of revision. With a full set of internal GCSE exams to do next month, students' preparation needs to start now. Parents' support is vital even if teenagers don't always admit it. Thank you for encouraging your child to plan ahead and revise all their subjects in good time.

The week beginning 14 October will have a Revision Theme in Year 11; Elevate Education will run workshops for all Year 11 students on Thursday 17 October in College. Masterclasses and lessons will model and practise revision techniques. Students will make revision planning calendars for the 9 days of half term.

Parents are asked join the Elevate Webinar on Tuesday 15 October at 6pm, link to register below (you can also download and listen back to the first two sessions about study skills and managing time, links are sent to all parents by email from Arbor).

Teachers will start setting tasks to guide students' work over half term week. These tasks are not optional. Half term work is expected from all our Year 11 students.

We will offer a Half Term Study Space in College for Wednesday 30 November, with snacks and support for students from 9.30 - 2.30pm in College. Practical exams and MFL speaking begin as soon as we return after half term before written papers begin on Monday 11 November. Exam timetables for students are being added to the Exams section of Arbor so you can see your child's schedule in November.

The next webinar will be on Tuesday 15 October 6 -7pm. See below for details.

STUDENT RECEPTION

FREE Sanitary Products

We have a plentiful and varied stock of sanitary products at Student Reception, **FREE** to students! Just pop by and stock up - we have female staff in the hub to help if preferred.

Uniform

A reminder to label all uniform so it can be returned to its rightful owner should it be misplaced. Especially blazers as they are a key piece of uniform and a costly item.

Winter Is Coming

As the weather gets colder, a gentle reminder to students and parents that coats are obviously allowed to be worn, but that HOODIES are not part of the uniform and will be removed from students if they wear them to College or during break times.

Coats over blazers are of course perfectly acceptable, we don't want anyone getting cold, but hoodies are not permitted for school, PE or Dance - we have a no hoodies on site policy. Please click on the link below for the uniform policy if you are unsure on any of the uniform.

<https://www.mrc-academy.org/Portals/0/Information/Policies/Behaviour%20and%20Attitudes/Uniform%20policy.pdf?ver=foOwQucg9s5BDEfPR4hREA%3d%3d×tamp=1621346226293>

Negative Uniform/Jewellery Points

'Pink slips' are issued to students who are not conforming to our uniform/jewellery policy. A negative point is added to your child's Arbor and each point represents 1 pink slip that has been issued over the course of the current week – 1 negative point per pink slip. All incidents are currently entered by the Administration Team, not the member of staff who has issued it- This will be changing soon, as we are making slight tweaks. If you have any queries regarding the issuing of the negative point, please email enquiries@mrc-academy.org

Thank you for working with us to help keep our students smart, it is so important in setting them up to achieve!
