

MIDHURST MATTERS

Principal's Message

A shorter edition of the newsletter this week following the Easter holidays. I hope you all had a good break and are ready for the busy Summer Term ahead.

In the not too distant future our Year 11 and 13 students will sit their final GCSE and A-Level exams, they are working hard and we wish them every success.

As the term progresses, Year 10 students will venture out into the real world for their Work Experience placements, whilst the rest of the College enjoy a fun packed Activities Week.

We wished a Bon Voyage to a group of Year 9 students who will be spending the next 6 days in Normandy. If you would like to follow their progress, regular updates will be posted on our  Instagram channel @mrc_1st.

It is our annual Community Day tomorrow, Saturday 26 April, the event is free to attend and showcases local businesses including makers, bakers, local services and food stands with many activities to try for all age groups. We look forward to seeing you there!ins

Best Wishes.

SPONSORED CYCLE

Hi there, thank you to everyone that sponsored me for my sponsored cycle. The ride was 10 miles long and took me about an hour to complete. The GoFundMe will still be open until Monday 28 April (7pm) for the people that still want to sponsor me. My target is now £1000 I would really appreciate if you could help me to achieve my goal knowing that all of the money raised will be going towards MRC Performing Arts Department - currently £815 raised so far!

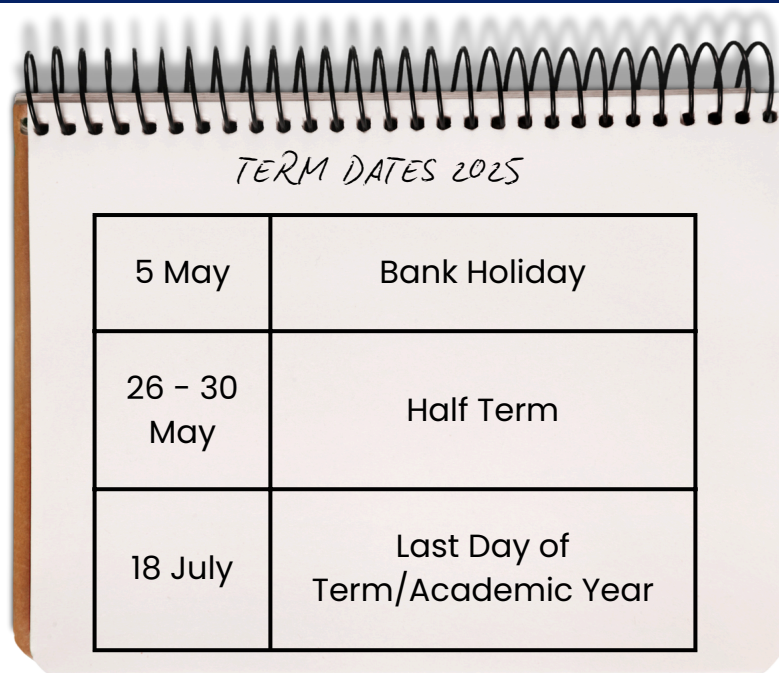

Thanks for your support. and here is the link...<https://gofund.me/875ff81d>
