

Midhurst Rother College

The best in everyone™

Part of United Learning

Mr Robert Turley

BSc (Hons) Environmental Studies, CoCA, TechIOSH

Resident of Midhurst

My family and I moved to Midhurst about seven years ago and aside from the amazing and beautiful surroundings, one of the main reasons for the move was to give our children the opportunity to go to MRC. Both our children are at MRC now and we are pleased to see they are getting on well.

Employment and what I hope to bring to the role of parent governor

I am a self-employed consultant in the property compliance/health and safety sector. In my work, I help organisations to improve governance, risk and compliance and believe I have relevant, transferable experience that is of value to the board. I am a good listener and absorb information, process it then challenge it before taking key decisions. I also have an interest in special educational needs and can assist in guiding the school regarding that.

Skills/attributes

Analytical and objective approach to problem solving, experience and knowledge of building compliance, wide understand of the practical application of good health and safety practice at work, leadership and management skills, community spirited.

Networks

Associate member of the British Occupational Hygiene Society, Technical membership of the Institute of Occupational Health and Safety, industry connections in the Governance Risk and Compliance sector.

Interests

Family outings, socialising, walking, swimming, community volunteering, films and TV.
