Uniform plays a valuable role in contributing to the ethos of our College and setting an appropriate tone. It signals very clearly that students have come to learn and to be part of the College community. The way in which students wear their uniform is one way in which the local community makes judgements about the College. The aim of the Uniform Policy is to create a shared understanding amongst staff, students and parents/carers about the College's uniform.

Midhurst Rother College recognises the value of having a uniform for the following reasons:

- Creation of a sense of pride
- Readiness for work - many jobs require staff to wear a uniform or conform to a dress code
- Value for money - good quality uniform is cost-efficient
- Protection for students – by eliminating the stress placed on them and their families to purchase and wear expensive, fashionable items
- Sixth Form students do not wear College uniform, but are expected to present themselves in a manner which is suitable for a working environment.

Responsibilities

The Local Governing Body, in consultation with the Principal, will periodically review and determine uniform requirements, taking into account that the uniform chosen should be affordable, straight forward and understood in terms of expectations. Uniform should not act as a barrier to parents/carers when choosing Midhurst Rother College for their children.

Midhurst Rother College will ensure that uniform requirements are published to parents/carers, students and staff. The requirements and policy will be clearly set out on the College website and paper copies made available where requested. The policy will also outline the actions to be taken for breaches of the uniform code.

The Local Governing Body delegates to the Principal the responsibility to make judgements about the acceptability (or otherwise) of particular uniform items.

Students will wear the correct uniform in the proper way at all times, including journeys between home and College. Blazers must be worn between lessons, but can be removed in lessons with permission from the teacher. Parents/carers have the responsibility to send their children to College clean and tidy with correctly name labelled uniform.

We will only accept one piercing to be in the lobe of each ear – no other earrings in other parts of the ear will be acceptable. Students will not be permitted to attend College with a plaster over any unhealed piercing. Claiming that any piercing has not healed will not be regarded as an acceptable excuse for wearing jewellery. No other items of jewellery are allowed.

Ensuring Compliance

Prior/during/after College

- Students are expected to wear correct uniform on journeys to and from College and throughout the College day.
- On entry to College, uniform will be checked by duty staff
- Where incorrect items are being worn, students will be asked to go home to remedy the breach if this is possible. Alternatively, a uniform change will be made by an item being loaned from College stock.
- All staff will check, challenge and correct uniform throughout the College day
- Students are to leave College in their uniform (there may be some occasions when PE kit is worn after a sports club/fixture)
- On leaving College at the end of a day, uniform will be checked by duty staff

Inappropriate items of clothing or jewellery will be removed from the student and can be collected at the end of the College day. Repeat breaches of the rules by any student will be communicated to parents. Students not wearing full or correct uniform will be challenged and temporary loan stock issued where possible. Students may be asked to go home briefly to remedy a breach of the College rules on appearance or uniform. This should be no longer than is necessary to remedy the breach. This is not an exclusion but will be deemed an authorised absence. If neither of these options are possible, the student will be expected to work separately from other students. Parents will always be contacted prior to a student being sent home to change. If the student continues to breach uniform rules in such a way as to be sent home to avoid College, or takes longer than is necessary to effect the change, the student's absence will be counted as unauthorised. **If a student's disregard of uniform policy is persistent and defiant, this will be considered a behaviour issue and may lead to exclusion.** Parents will be asked to resolve any uniform issue promptly. All staff will check, challenge and correct uniform during the College day. The Principal, or another member of the senior team in his absence, reserves the right to make a final decision with regards to uniform, jewellery or hairstyles deemed to be unacceptable.

Uniform sanctions

- A C2 can be set for inappropriate or incorrect uniform
- Students who persist in wearing uniform inappropriately and/or incorrect items will be placed on a daily Uniform Report
- Should a student refuse the request to change their uniform into an item being loaned from College stock, or refuse to remove any makeup/ or jewellery, this will be addressed as defiance and students will be internally isolated
- Ongoing and unresolved uniform policy infringement will lead to a meeting between the relevant year group Assistant Principal, Mrs L Shadbolt/Mr P Thompson and parents/carers to resolve the problem
- For persistent, unresolved or extreme uniform policy infringement, students will be internally excluded (C4 sanction and logged in SIMS)
- Continued and intentional uniform policy infringement will, ultimately, be addressed via the behaviour policy and could lead to a C5 sanction (external exclusion)

Please be mindful that for inappropriate hairstyles there is a system of sanctions (unless extreme, in which case a C4 may be directly issued):

First cut – C2 Second cut – C3 Third cut – internal isolation Forth-Sixth cut – external exclusion

On the external exclusion of a sixth inappropriate cut the student and parents will be invited to attend a Pre Governors Behaviour Meeting. This is a panel of Governors who discuss with the staff, parents and student the concerns about continued defiance to adhere to College policy.

Confiscated items

Confiscating students' property is a legitimate sanction provided that there is a good reason for so doing and that the length of time the article is confiscated is reasonable.

Confiscated items will be placed in a sealed envelope and include the student's name, tutor group, details of the item(s) confiscated, date and the name of the staff member who confiscated the item(s). The item will be held at Student Reception where it will be stored in a safe place.

Length of confiscation

Items can be collected by the student from Student Reception at the end of the College day. It is the students' responsibility to collect the item at the end of the College day and they will be required to sign upon collecting it. If the issue is serious enough for a longer period of confiscation, e.g. repeat offences, then parents/carers will be informed and will be requested to collect the item(s) from the College. Property will not be withheld for longer than a half term. At the end of a half term remaining items are handed back to the student.

Exemptions

Midhurst Rother College recognises that some students may have genuine grounds for requesting an exemption from part of this policy. In such cases contact should be made with Mrs L Shadbolt or Mrs C Dickens.

If students or parents/carers are in doubt about an item of uniform, they should contact Mrs L Shadbolt or Mrs C Dickens before purchasing it. This avoids unnecessary expense in buying items which are unacceptable. Any items purchased from Stevenson's are compatible with our policy requirements. This is our preferred method for purchasing any uniform items.

Seasonal Variations

All students are expected to wear a plain dark winter coat/jacket when needed. A weather proof jacket can be obtained through the College supplier at a reasonable cost. 'Hoodies' and decorative scarves are **not** part of College uniform (or sports kit) and should not be worn. Outdoor garments must be removed when indoors.

During the summer we may experience hot weather. During this time we decide on a daily basis if it is a 'non-blazer' day. Students are expected to continue to wear their blazer to College, as we have formal events during the day when their blazer must be worn.

College Trips

If students are participating in a College trip, the trip leader will state if uniform is to be worn or not. When uniform is worn on College trips it is worn to the same standards as it would be in College. If it is a non-uniform trip then the clothing should be suitable and practical to the event being attended, without excessive make-up or jewellery. The representation of students on College trips is one way the community makes judgements about the College.

Non-uniform Events

For any non-uniform events in College, students are expected to wear sensible clothing; no offensive pictures/logos or outfits which display midriffs or underwear should be worn. Students not meeting the criteria will be expected to wear an item from our loan stock or will be sent home to change.
