Principals Message

Dear Parents/Carers,

My message in Midhurst Matters for this edition will focus on our students and their achievements over the last few weeks.

Following a very demanding process of personal statements, assessments and interviews, three of our Year 13 students have received offers from outstanding institutions.

These students are:

Ben S - Engineering, Pembroke College Cambridge

Theo W - Modern and Medieval Languages, Girton College, Cambridge

Daniel K - Violin, The Royal Welsh College of Music

The students deserve huge congratulations for receiving these offers. I know they, and their peers, are working hard to get the grades they need. Congratulations to many of our other Sixth Form students who have offers from top universities and apprenticeship providers.

PRINCIPALS MESSAGE continued

Several of our musicians also won awards at Chichester Festival of Music, Dance and Speech this month.

These students are:

Leah S – Flute: honours, silver medal

Molly B –Clarine: honours

Daniella S – Clarinet: outstanding

Calla T – Clarinet: outstanding, silver medal

Elphina D-B – Clarinet: outstanding, bronze medal

Poppy W – teacher / student duet: outstanding, silver medal

Tilly W – teacher / student duet: honours, bronze medal

Nick L- honours

In addition, Esme and Willow also represented West Sussex in the Rotary Young Musician competition for flute and singing respectively. They competed against Sussex, Kent and Surrey in the regional competition.

I'd like to thank our Sixth Form students and Mr Lamb who 'Braved the Shave' this week in support of Macmillan and Midhurst Palliative care. The students raised over £2,100, which is a fantastic achievement. Well done to all of them for taking part, to our Sixth Form for organising it and to everyone who donated.

Have a lovely half-term.

Best wishes.

Stuart Edwards
Principal

CHARITY EVENTS

BRAVE THE SHAVE

First of all, I would like to again thank the incredibly brave Lucas, Leo, Barney, Nick, Gus and Mr Lamb as without their (somewhat reluctant) willingness to part ways with their hair, none of this would be possible. I would also like to thank all the other Sixth Form students that helped, the Charity and House Leaders who sacrificed mornings and lunchtimes to sell tickets, in particular Archie Jandac. But most of all I would like to thank Mrs Shadbolt, who, as ever, was immensely supportive throughout the entire process. Her organisation and readiness to help played a key role in making the event run smoothly, it would have been far more difficult without her support.

Also another big thank you to Emma and Nicola from the Midhurst Macmillan Palliative Care plus all the incredible donations from parents, students, friends who helped us exceed our target of £1,000 and raise over £2,100! Thank you.

Ben Sullivan – Sixth Form

KS3 & KS4 ASSESSMENT DIARY

Week beginning : 23 February 2026

At MRC students in KS3 sit two assessments per year, Year 10 sit three and Year 11 sitting more, especially in core subjects, to help preparations for GCSE exams in the summer. These assessments support students to reflect on their progress, provide opportunities to practice and prepare for KS4 GCSE assessments in a 'low stakes' situation, provide teachers with an objective and comprehensive piece of work to judge students progress and an opportunity to report to parents/carers an accurate measure of their child's academic progress. These assessments cannot be 'failed' and simply give us all an indication of progress and attainment in different subjects – for many an encouragement, for a few some motivation to commit to hard work and progress.

Assessments and Parents Evenings are coming up for the following year groups:

- **Year 11 & 13:** Internal assessments in the Theatre straight back after half-term (23 February) and in class week beginning 2 March 26.
- **Year 8:** in class assessments for all subjects (except English, mathematics, science and MFL) in the fortnight beginning 23 February 2026.

If they have not already, over the next week or two, class teachers will be sharing details of forthcoming assessments with your child, including the length of assessment, type of questions, topics that will be in the assessment and some revision activities that will be useful to help your child prepare. This will be available on Arbor as an assignment.

Additional information, dates for individual classes / subjects and revision guidance can be found on the college website (<https://www.mrc-academy.org/curriculum/revision-resources>) at any time; this page provides useful ideas and strategies to support independent and effective revision by any child at any time.

Experience shows us that students who are well rested, have had a good breakfast and are properly prepared with the right equipment experience less stress and anxiety before assessments, and perform better. We thank you for supporting your child in their preparation.

We are also mindful that these assessments can create a degree of stress and anxiety. We do not want our students to feel overwhelmed – please do contact your Head of Year for support and advice should this be the case.

YELLOW SCHOOL PHOTOGRAPH ORDER CLOSING DATE – TUESDAY 24 FEBRUARY

Please be advised if you have NOT yet placed your School Photograph order, the order closing date is Tuesday 24th February.

Please visit www.smileYellow.com using the passwords on the Proofcard.

FOOD ALLERGY

Food Allergy

Reminder:

Our School is a nut-free environment. This includes all nuts and any products containing nuts.

This policy is in place to protect members of our school community from serious health risk. We kindly ask everyone to help keep our environment safe by checking ingredients, snacks and packed lunches carefully.

Thank you for your continued support and cooperation in keeping our school inclusive and safe for all.

HOMework CLUB – LUNCHTIME SUPPORT FOR STUDENTS

We would like to remind parents and carers that Homework Club is available every lunchtime to support students with their homework and independent study.

Homework Club takes place in Room T107 and is open to all students. There is no need to sign up in advance – students can simply turn up on any day that suits them.

The club provides a quiet, supportive environment where students can:

Complete homework tasks

Ask for help or clarification if they are unsure about an assignment

Homework Club is a great option for students who benefit from additional structure or support during the school day.

We encourage students to make use of this valuable resource whenever they need it.

YEAR 11 BREAKFAST STUDY CLUB 🍊

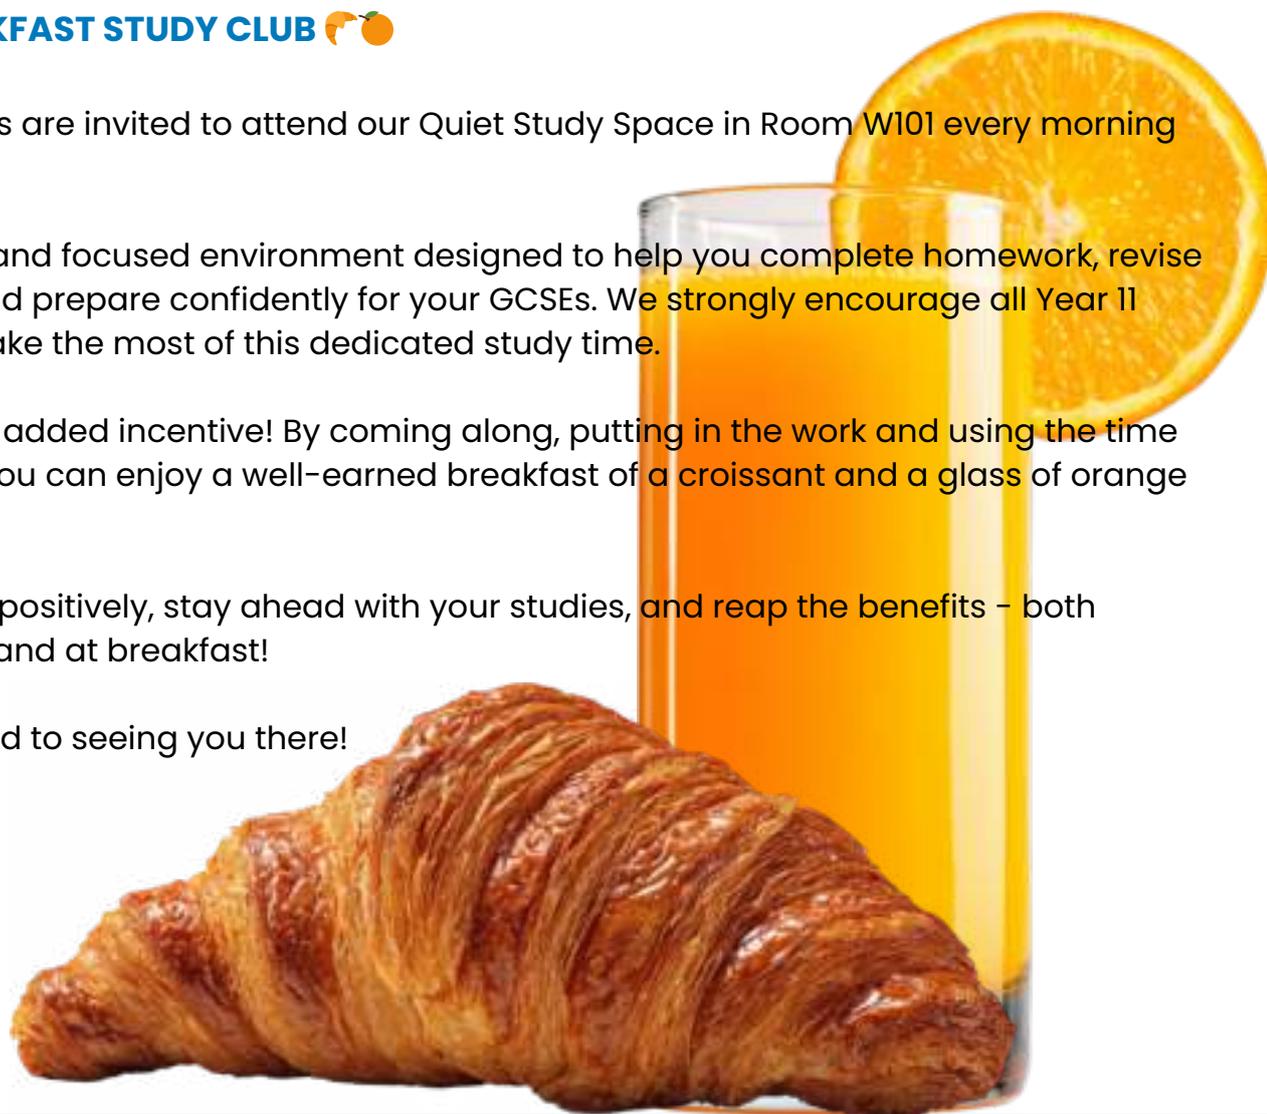

Year 11 students are invited to attend our Quiet Study Space in Room W101 every morning from 8:00am.

This is a calm and focused environment designed to help you complete homework, revise key content and prepare confidently for your GCSEs. We strongly encourage all Year 11 students to make the most of this dedicated study time.

And there's an added incentive! By coming along, putting in the work and using the time productively, you can enjoy a well-earned breakfast of a croissant and a glass of orange juice.

Start your day positively, stay ahead with your studies, and reap the benefits – both academically and at breakfast!

We look forward to seeing you there!

SCIENTIST

OF THE HALF TERM

Well done to all our budding scientists, but a special mention goes to the Scientists of the Half Term!

Well done – keep up the good work!

Year 7 – J Paradise, J Turnbull & N Jones

Year 8 – A Daltrey & B Gadd

Year 9 – A Simms & C Riou

Year 10 – G Turnbull & A Terry

Year 11 – C Ison, E Boer & C Blyth

CHICHESTER CORPORATE CHALLENGE RACE SERIES 2026

Dates: 25 February, 11 March and 25 March 2026

Location: Chichester Town Centre

Start time: From 6.30pm

Students at Midhurst Rother College are invited to take part in the Chichester Corporate Challenge running series. This is an optional event held over three evenings.

Race Schedule

7.00pm – Years 7–10 Girls: 2100m (3 laps)

7.15pm – Years 7–8 Boys: 2100m (3 laps)
and Years 9–10 Boys: 2800m (4 laps)

Students in Years 11, 12 and 13 must enter the adult races

Further details, including the course map and results, can be found on the Corporate Challenge website

<https://www.chichester-runners.org.uk/corporate-challenge/>

Students must arrange their own transport. They should meet outside TJ Jones, North Street, between 6.15pm and 6.30pm.

The entry fee is £12 for the full series, payable online directly to the organisers. When entering, please select “Midhurst Rother College” as the school so entries can be collated.

Students should wear normal PE kit, suitable footwear, warm clothing for before and after the race, and bring water and a light snack.

Parents are also welcome to take part as part of the school team. The adult race distance is 4500m. Entry costs £20 (£18 if club-affiliated) and uses the same entry link—please select the adult event at the top of the page. Adult races start at approximately 7.30pm, after junior races conclude.

Please complete the online entry (<https://www.chichester-runners.org.uk/corporate-challenge/>) and then reply to me by email, aaron.hancock@mrc-academy.org to confirm participation before Wednesday 25 February 2026.

READING INTERVENTION – COFFEE MORNING

We had another fantastic turnout for our Reading Intervention Coffee Morning on 3 February, where parents and carers were invited to come into school to chat and learn a bit more about the various reading interventions that take place here at MRC. Parents went away with strategies to support reading at home linked to our reading intervention programmes such as Fresh Start and Rapid Reader.

GCSE REVISION

For parents and carers of year 11's, MRC's library has a wide variety of subject textbooks available to borrow to support students with their GCSE revision.

VALENTINE'S DAY

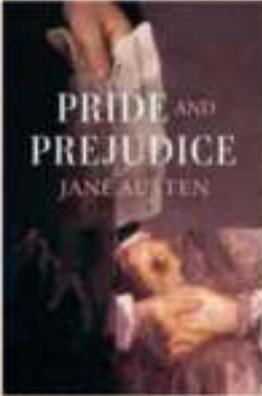

This month our theme in the library is 'February Valentine reads and story telling' as part of our year of celebrating reading.

FEBRUARY
AUTHOR OF THE MONTH
JANE AUSTEN

TO CELEBRATE VALENTINE'S DAY THIS MONTH WE ARE HIGHLIGHTING THE ROMANTIC WORKS OF ONE OF BRITAIN'S GREATEST WRITERS WHOSE NOVELS, WRITTEN AT THE END OF THE 18TH CENTURY, ARE STILL PORED OVER TODAY. HER BOOKS WERE PUBLISHED ANONYMOUSLY IN HER LIFETIME, AND IT WAS ONLY AFTER HER DEATH DID THEY BECOME THE SUCCESSFUL TOMES

WE KNOW TODAY.

NATIONAL YEAR OF READING

As part of The National Year of Reading you can support our amazing students reading in MRC's Readathon by donating what you can at Readathon - sponsor a student during 23 February to 6 March. All students will have an opportunity to take part in this challenge in the library during English lessons or social times, and all funds raised will support Read for Good's work bringing the magic of books and stories to children in hospital! The four most dedicated readers will win a new book on World Book Day too!

WORLD BOOK DAY

We have a jam-packed schedule for World Book Day on Thursday 5th March, not only will we be continuing our Readathon, but we will also have aspiring local author, Vincent Shaw, hold a talk for Year 7 in the Theatre and a group of five hard-working students will be spending book vouchers on a trip to our local Waterstones.

SIXTH FORM

WEALD & DOWNLAND MUSEUM TRIP

Last week Year 12 History students took part in a live history experience at the Weald and Downland Museum in Singleton. The historical interpreters were from the year 1462 (during the Wars of the Roses which the pupils are currently studying) and were situated throughout the site performing various tasks such as making a medieval pottage, writing books and polishing weapons.

The Year 12 students were thoroughly engaged with them and asked some excellent questions; I think their favourite bit was trying on the medieval armour and handling some of the weapons! (It was certainly mine!)
