Dear Parent/Carer

I hope this letter finds you and your family well. I am looking forward to meeting all the current Year 6 on transition day on 1 July. It has been a real pleasure speaking to some of our local primary schools about their students joining MRC and to answer some of the questions they have.

Part of the transition process involves gathering information from your child's school to make their move to MRC as seamless as possible. The transition day and evening are fast approaching. With this in mind, please could you use the link below to:

- a) give consent and emergency medical and contact details for your child to attend Transition Day on Wednesday 1 July
- b) indicate if you will attend the Year 6 Parents Information Evening on Thursday 2 July 6:00pm-6:45pm held at Midhurst Rother College in our Theatre [MRC Year 6 Transition Events Booking Form. – Fill in form.](#) This will help us to manage numbers for the evening.

### Transition day update – Wednesday 1<sup>st</sup> July

We have altered some of our plans for transition day to include more activities for students, therefore our transition day will have slightly different timings than previously published and will run from 8.45am – 2.45pm instead. Please make sure your child is at MRC for 8.45am.

### Uniform sizing event – Friday 3<sup>rd</sup> July

To give our new students the opportunity to try on our uniform for size, Stevensons, our uniform supplier, will bring their pop-up sizing shop to MRC on Friday 3 July from 3pm-6pm. The event will be in our sports hall. Attached to this email is their flyer containing a discount code. Blazers, ties, skirts and PE kit (top and shorts) must be purchased from Stevensons. Following the sizing event, a 10% discount will be available for **one week** on all orders. **The discount code is MRC\_SZB2026**

For those not able to make this date, please refer to the sizing guide on Stevenson's website.

Our uniform suppliers only take orders online. We changed to this two years' ago to keep the uniform cost down. Our uniform requirements from 2026 meet the statutory expectation of the maximum
